That his chimed in, and all the other retain-Kentucky district will do it, we ers-old and young, swelled the haven't a doubt. He is the noblest chorus. Instead of defending Gov. speaker of his noble family. He vill be elected, and will be an ornament to the position to which be will be elected. The most eloquent man, perhaps, in Kentucky, the State has already gained for ele- state positively that our purpose is ship in Congress.

THE TARIFF ON WOOL.

Some very interesting facts touching the magnitude of the sheep and 19 weel interest in the country were brought out in the arguments before the Ways and Means Committee of the House. The representatives of the Wool Growers' Association submitted a table showing the growth of the woel industries in the racy before some of them were in United States from 21,000,000 slicep, their swadling clothes—and while producing 52,000,000 pounds of the party remains true to the tenets wool in 1850, to 50,500,000 sheep of the months of corrupt or incompetent men security wool in 1883. It was further shown positions in the party or the government to which their deserts do not ment to which their deserts do not in the party or the government to which the government to the govern sides those on public land ranches. them, and drive them out, and in and those proprietors employ at doing this we demonstrate our featty least 1,000,000 me besides them selves. The price of woel decreased from 51 cents per pound in 1882. The party, and our leve for the ed from 51 cents per pound in 1882. The negroes are the clip of 12,000,000 on the clip of 1883 owing to the party. Our mother clip of 1883 owing to the clip of 1883 owing the clip of 1883 owing to least 1,000,000 men besides them- to the party, and our leve for the en goods received no benefits therefrom, although the producers had been compelled to seell at unprofit-

MONTMORENCI TO THE FRONT. Aiken (S. C.) Recorder

There is an old adage which says It is an ill wind that blows nobody any good," The disastrous repudiation of the offers of the Caro-Railway Company by the town of Aiken has stirred the Montmorenei ed to exist, and of which he is acsection to its depths, developing a cused of being a member, then it high degree of public spirit which follows, as a necessary consequence, reaches after substantial probabili- that our charges are groundless, ties and brilliant possibilities in the and therefore prompted by personal Dr Bull's Cough Syrup to cure his = future. We wish them success, as ill-feeling. But in the name of all cough. we admire pluck and enterprise that is fair, we demand that Gov. Bate be defended, and snecessfully morenci is a town of Aiken county, vindicated before our motives in atty be benefitted by any addition to Governor is vindicated it will be its population or increase of its taxable values. One Thousand Acres of Land and "Right Smart of Bears."

On the deck of a big Mississippi steamboat stood an aged Southern planter. Indicating by a sweep of his arm the waters the beat was passing over, he said to a passenger from the North: "When I was twelve years old I killed my first bear on a new planta-tion my father was then cuttling out of a forest that grew directly over the waters of this bend. That was a mighty good plantation, and there was right

smart of bears there, too. But that one About sixty million copies of HE SUN have gone out of our establishment during the past twelve months.

If you were to paste end to end all the columns that the great forest of youthful to say that the great forest of youthful officer shall post notices at large in the streats of months are taken up, the town constable or other police are taken up, the town constable or other public officer shall post notices at four or more public officer shall post notices at four or more public officer shall post notices at large in the streats of months are taken up, the town constable or other public officer shall post notices at large in the streats of months are taken up. hope, womanly beauty and manly every year into the great, turbid torrent of disease and death. Yet it should tain notice of the time, place and terms of sale, in own interest-the most precious of which is health. That gone, all is zone. or paid by the officer selling the hog or hogs and the earth; this same strip of intelligence would Disease is simple, but to reaklessness or the earth; this same strip of intelligence would ignorance the simplest things might as such appear and demand the money, should the girdle the globe twenty-seven or twenty-eight

driven out. The Tonic is not however, collect afteen cents a day for each hog, while im-

Consumption Can be Cured!

BALSAMIUNGS Cures Consumption, Colds, Pneumonia, Influenza, Bronchial Difficulties, Bron-

chitis, Hoarseness, Asthma, Croup, Attention, ladies? If you want fresh and stylish spring hats or bonnets, call on Mrs. Lou Flyan, leader of fashion.

To set the public right, Mrs. Lou Flyan, leader of fashion of the Second, or Col. W. A. Hender-Flyan has no shoddy or old-style goods, but is la receipt of a new invoice which but is la receipt of a new invoice which but is la receipt of a new invoice which but is la receipt of a new invoice which set evently purchasel in the eastern sities. Remember this fact.
